

# Transforming Communities by Mobilizing the Church

Part of an international movement across the U.S. and Kenya, Love In the Name of Christ (Love INC) unites local churches in Sheboygan County to work together across denominational lines, providing coordinated help to people who are struggling in our community.

Love INC exists to bring God glory by building hope through relationships rooted in Christ. We equip our partner churches and their members and connect them with meaningful opportunities to serve.

# Different Elements for Church Engagement

Following our guiding principles to build hope through relationships rooted in Christ, Love INC helps build relationships between volunteers from partner churches and neighbors who struggle with life's challenges. Love INC serves churches by providing a model for your social outreach ministry. As a partner church, there are multiple ways to engage with the Love INC movement.

## How to Become Involved as a Partner Church

### Time

- Pray for Love INC on a regular basis
- Attend Love INC update meetings
- Share Love INC opportunities with entire congregation
- Join the Love INC Prayer Warrior group and pray for individual concerns
- Refer people who contact the church to the Love INC Connection Center

### Talent

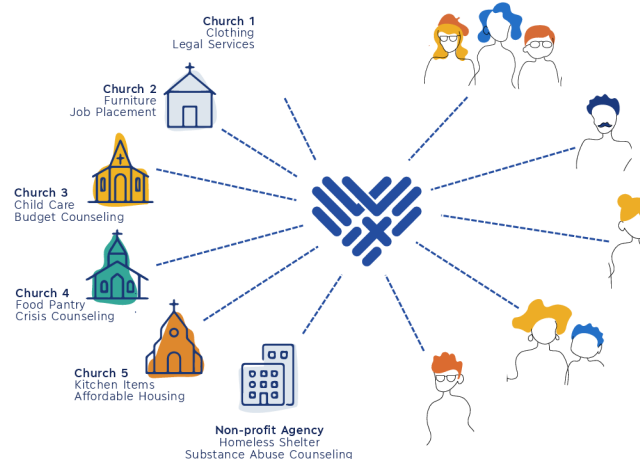

- Share volunteer opportunities with congregation that aligns with individual God-given talents
- Manage a Gap Ministry as community needs arise
- Host life-skills classes at your church

### Treasure

- Participate in product drives
- Conduct a love offering on behalf of Love INC
- Encourage individual financial support for Love INC ministries
- Include Love INC as part of annual church budget
- Provide access to grant opportunities with endowment funds or other sources

## Better Together

We are better able to become part of the solution in our community when we work together and combine resources for greater impact
